## PARTICIPATION IN DAJV SECTIONS

Dear Member,

DAJV sections provide lawyers a platform to discuss current issues relevant to their practice in a circle of experts and engage in a lively exchange of ideas. This in turn provides greater depth to the technical work of DAJV by creating synergies that often result in collaborative legal and academic efforts. Moreover, the sections keep our members in contact with one another, the very purpose of the Association. This is achieved especially through section conferences which take place early every year and include lectures by high-level experts on current issues affecting their respective legal fields. The following sections are currently active.

Sections	Chairs
<b>O Mergers &amp; Acquisitions</b>	<b>Dr. Michael R. Fischer, LL.M.</b> UBS Deutschland AG, Frankfurt am Main <b>Dr. Markus Nauheim, LL.M.</b> Gibson, Dunn & Crutcher LLP, München
