## Join the DAJV Working Group Day 2017

Each year in March the DAJV Working Groups convene the Annual Working Group Day in Frankfurt that is - alongside the Annual Conference - the flagship event of the DAJV. These Working Groups are forums that foster intellectual and practical exchange among lawyers from all professions.

The Working Groups present and discuss current topics and cases of transatlantic relevance with recognized experts from the U.S. and Germany. Our five Working Groups cover the following areas of law: (1) Mergers & Acquisitions, (2) Tax, (3) Antitrust, Regulated Industries, Media, (4) Arbitration/Litigation/Mediation and (5) Constitution/Legislation/Public Law. Each DAJV member may become a member of one or more Working Groups. The Working Group Day is also open to all other interested persons.

The event concludes with a dinner, along with a special guest speaker.
