

DAJV LL.M. Day

U.S. Masters Programs

Seminar & Fair // November 17, 2025 // Cologne

Let's Go West

LL.M. made in the U.S.

For over 50 years, the Deutsch-Amerikanische Juristen-Vereinigung (DAJV) / German American Lawyers Association has been a leader in transatlantic legal education and exchange. Many of our 2,500 members have earned degrees from U.S. law schools, and a significant number attended one of our events before embarking on their American legal education.

As the largest transatlantic legal network, we are excited to once again connect your university with highly motivated and well-educated German law students in Cologne. No other city in Germany offers access to over 20,000 law students within a 100-mile radius, making Cologne the perfect location for this event.

This year, we are particularly pleased to offer significantly reduced participation fees, making it even easier for U.S. law schools to take part and connect with outstanding legal talent from Germany.

We are confident that our carefully curated agenda will once again attract top legal talent in Germany to your LL.M. programs.
